Pop Out

Our new flexible and easy to set-up system

Advertising has never been easier!

The Pop Out can for instance be used:

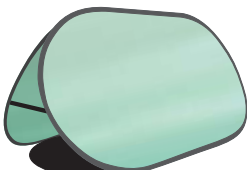

- as mobile perimeter boards at sporting events
- as sponsorship advertising
- as sales promotion
- as visitor guidance systems for trade fairs etc.

Advantages:

- flexible use indoors
- short-time use outdoors
- double sided advertising
- uncreased tensed display
- flexible fibre glass poles
- lightweight
- easy and quick set-up
- prints can be replaced easily
- easy folding
- bags are used as base
